

# Grades for Google Site

\_\_\_\_\_ A= 90-100% of requirements were met, all themes, all links work correctly, appropriate clip art, pictures, or drawings on every page, appropriate grammar, all text font/color/size looks great, all images from internet have correct bibliography citations.

\_\_\_\_\_ B= 80-89% of requirements were met, overall good: 7 themes, images are somewhat related, good drawings with many details, many pages have clip art, sentences make sense, most text font/color/size is easy to read, all but 1-2 images from internet have correct bibliography citations.

\_\_\_\_\_ C= 70-79% of requirements were met, overall okay: 7 themes, sloppy drawings with few details, missing links, some clip art, sentences, images are somewhat related, many grammar & spelling errors, sentences don't make sense, text font/color/size hard to read, some images from internet have correct bibliography citations.

\_\_\_\_\_ D= 60-69% of requirements were met, missing themes, very bad drawings with sketchy details, few functioning links, no clip art, text font/color/size is default or not readable, no images from internet have correct bibliography citations.

\_\_\_\_\_ F= Less than 60% of requirements were met: project incomplete, no drawings, no links, fewer than 4 themes, no bibliography.

Grade: \_\_\_\_\_

## Google Site Requirements

Project due by \_\_\_\_\_

- Introductory page
- Brief Synopsis (including setting)
  
- Exploring themes of the book
  - Racial segregation
  - Inequality
  - Racism
  - Mistreatment
  - Reactions
    - Character reactions (how they dealt with it)
    - Personal reactions (how would you have dealt with this)
  - Favorite character
  - Family values (explore dynamic)
  
- Page layout should be balanced and well composed.
- All links are to be of the same style, and should function properly.
- Clip art images and drawings are appropriate for the information on each page.
- Grammar, spelling, and sentence structure must be correct.
- Sounds may be added only with Mrs. Salinas's permission after all other requirements are complete.
- Any sound effects should enhance the project, not distract from it.

Text:

- Size, font style, and color of text is easily read.
- Larger sizes/dark colored print for the audience.
- For readability, headings should be larger than 36, and text should be 24.
- Text style should not be script or all capitals
