| 24     | 25                                       | 26      | 27        | 28       |   |          |
|        |  |         |           |          |   |          |

\*\*The total number of hours a student will attend during the month is the most important part of the contract. Which days the student might attend and whether AM or PM is not important for Extended Care staffing. The calendar is provided for your convenience in determining the total number of hours needed.
